## HOCKEY CARES THANKS THE FRANK SABATINO MEMORIAL TOURNAMENT FOR THEIR GENEROUS DONATION TO OUR PROJECT.

The Hockey Cares project has facilitated three years of exchanges between Oakville and Attawapiskat bantam-aged girls and boys hockey players. Attawapiskat youth travelled to Oakville in July, and the Oakville youth were in Attawapiskat in November. Players connect through a common love of hockey and learn much more by experiencing a different culture, fostering friendships and participating in education programs together.

## Letter from the Chair

On behalf of the Frank Sabatino Memorial Tournament Committee and the Oakville Rangers Hockey Club, welcome to the 19<sup>th</sup> annual FSMT. It has grown from an intra-league tournament of 8 teams in 2002 to a province-wide event. This year we have 64 teams participating! The committee members are dedicated to delivering a great hockey experience for players and spectators. The tournament's many sponsors have allowed us to include extras that have made the FSMT a premier house-league event.

The tournament is also a testament to Frank Sabatino's commitment to his community. Since the inception of the FSMT, we have lost a number of hockey volunteers and an Oakville Rangers Hockey Club player to cancer. In their memory, the FSMT has raised funds in support of the palliative care services provided by Oakville Trafalgar Memorial Hospital, Rose Cherry House, Ian Anderson House and the Brain Tumour Foundation. To date, the FSMT has contributed in excess of \$48,000. By your participation, you help to remember these individuals and contribute to a very worthy cause. The new Oakville hospital opened in December 2015. We are proud of the naming rights we were given for a family room in recognition of donations from the FSMT.

Particular mention should go to our sponsors and volunteers. Without you this tournament would not happen. My sincere thanks for your continuing support.

On behalf of the FSMT Committee, I wish all of the teams entered the best of luck. We hope this weekend will reflect our tournament motto: "**PLAY HARD. PLAY FAIR. HAVE FUN.**"

### GREETINGS FROM THE MAYOR

On behalf of Town Council and the citizens of Oakville, I am pleased to extend greetings and well wishes to all attending the 19th Annual Frank Sabatino Memorial Tournament to be held at Oakville's Sixteen Mile Sports Complex, Joshua's Creek Arena, Glen Abbey Community Centre and Trafalgar Park Community Centre from January 17 to 19, 2020, with 64 Pee wee and Atom teams from across Ontario.

This tournament is dedicated to the memory of Frank Sabatino, an Oakville Atom Red Convener, MOHA Director, father, friend and neighbor. Frank's dedication to minor hockey in Oakville will always be remembered.

Best wishes to everyone involved with this event and wish you all a weekend filled with fun and good health.

I hope you enjoy your time in Oakville. Good luck to all.

# Frank Sabatino Biography

Convening hockey and watching the players was rewarding for Frank and he did so until he could no longer manage it. He hoped that in a small way he contributed to the building of fond memories and a positive hockey experience for players over the years. He would be happy to know that he continues to contribute.

It is wonderful to have so many teams participate.

We appreciate your involvement and hope you have a great time.

*Good Luck to All.*

Thank you to Dana Harvey (Tournament Committee Chair), Reggie Nasu, Wayne Moorehead and the many volunteers for their commitment and hard work in planning and carrying out an awesome tournament. Thank you to the Oakville Rangers Hockey Club and our terrific sponsors for their generous support and for helping make this premier tournament possible.

## Frank Sabatino

1955 - 2001

Frank was an active member of the Minor Oaks Hockey Association (MOHA) now the Oakville Rangers Hockey Club, as, convenor and senior convenor and serving as a Director on the Association's Board. Frank was awarded the MOHA 2000-2001 Syd Peacock Award for Convenor of the Year. He was an avid golfer and in the off-season convened soccer.

Frank started playing hockey when he was twelve. He worked hard to develop the skills that many of his friends had already acquired from years of playing hockey. He became a strong house league player and developed a keen passion for the game. Frank was a sports fanatic and enjoyed playing and watching a wide variety of sports.

Hockey Cares is a project under the charity True North Aid. Since it's inception in 2017, Hockey Cares has been bringing together youth from Oakville and Attawapiskat, with the goal of "playing together, learning from each other".

Founded by Oakville resident and realtor Sue Heddle, the Hockey Cares project has had tremendous support from the community of Oakville and beyond, to make three exchanges possible from 2017 to 2019:

Attawapiskat youth travelled to Oakville in July, and the Oakville youth travelled to Attawapiskat in November. During both exchanges, hockey helped to form a common bond, with friendly tournament games played together, mixing the groups into equal teams. Players also took part in cultural activities in both communities and formed strong connections.

In 2020, Hockey Cares is looking to continue to grow the relationships established with these communities and their youth, through hockey and beyond. For more information visit [hockeycares.ca](http://hockeycares.ca) or check us out on Facebook/hockeycares.

# FRANK SABATINO MEMORIAL TOURNAMENT

**The Skills Competition** is an exciting and popular component each year at the Frank Sabatino Memorial Tournament. Separate events are held for each division. In 2020 there are Atom White, Atom Red/Select, Pee wee White and Pee wee Red/Select competing in Fastest Skater - Fastest Shot - Breakaway - Defense Agility and the Speed Relay. In addition to the skaters, goalie winners are identified for the Breakaway event.

## 1 Fastest Skater:

- one skater at each end of the center red line
- on signal, both skaters complete one counter-clockwise circumference of the ice
- fastest two skaters will 'skate off' for championship

## 3 Breakaway Drill

- Goalie and shooter from each team
- first shooter breaks in on goalie – as soon as goalie touches puck, the scorer will instruct the next shooter to proceed
- each shooter takes one shot at each goalie (with 16 teams, each shooter in group of 4 shoots once on each of four goalies)
- score goalies on saves; score shooters on goals

## 5 Speed Relay

- four skaters already on ice from each
- two skaters from each team behind each face-off circle hash marks line
- first skater races the length of the ice (hash marks to hash marks) & taps 2nd skater with his stick [second skater remains stationary, on his knees, behind the hash mark line until tapped]
- repeat 3x so that all 4 teammates skate 1 length
- winners of each heat meet to determine champion.

## 2 Fastest Shot

- shooter may stand stationary or skate in for "one-timer"
- shot is measured by RADAR gun
- each shooter will have two attempts (in rotation) - shot must "score", i.e., enter net to count.
- 2 shooters with fastest shots will "shoot off" for championship (2 attempts each)
- fastest shot wins (a tie will result in sudden death shoot-out)

## 4 Defense Agility

- fastest stickhandling defenseman from each team
- on signal, first skater, starts at the blue line – forward to goal line and **pivot** around last pylon – backwards return to blue line – pick up puck - forward slalom with puck through pylons to goal line – turn around last pylon and return forward slalom with puck through pylons – finish at blue line
- Fastest time (no errors) wins

Play-off qualification and ranking positions for all divisions will be based on the priority rules below. Notes for sudden victory overtime:
    - i. Goalies may be removed for an extra skater at the coach's discretion during overtime.
    - ii. Normal penalties will apply in overtime and time remaining on a penalty at the end of regulation time will be carried over into overtime.
  - b) **Shoot-out:** 3 players from each team - coaches to advise Head Referee of 3 player #'s selected prior to shoot-out.
    - Player from Visiting team goes first, then alternate until all 6 shooters have finished.
    - If still tied after 3 shooters, individual shots continue: coaches to advise Head Referee of player # from remaining players (No player can go twice until all players (excluding goalies) have participated.).
    - Player from Visiting team goes first. If necessary, repeat with additional shooters until 1 team scores and 1 team misses
15. Awards will be presented on-ice for the final two teams after the Championship game.

No protests are allowed.

**The decision of the Tournament Committee is final.**

# Thank You

## Frank Sabatino Memorial Hockey Tournament

On behalf of the Oakville Hospital Foundation, thank you for supporting the equipment needs of the Oakville Trafalgar Memorial Hospital by participating in the Frank Sabatino Memorial Hockey Tournament.

We are extremely grateful to the Frank Sabatino Memorial Hockey Tournament and the Oakville Rangers Hockey Club. This tournament has raised over **\$41,000** towards the Palliative Care Unit. In recognition of their commitment, a single patient room was named in their honour.

80 percent of patient rooms are for single patient use. These rooms feature a patient care centre, private bathroom with a shower and enough room for a family member to be able to stay the night in comfort.

Moving forward, the Oakville Hospital Foundation and the Oakville community are on a new journey – to support the ever growing and changing healthcare needs of a much larger and more advanced Hospital. It is only through our continued philanthropy that our Hospital will be able to invest in technology to diagnose illness earlier, reduce recovery times, and improve the patient experience.
